

## MOCO AZ 9F

Reference number:	1603
Manufacturer:	Moco
Model:	AZ 9F
Year of production:	2016
Format / Working width:	433 x 500 mm
Price:	on request

### Technical specification

Shredder **for paper documents** with 2 hexagonal working shafts

#### Technical details:

- Working capacity: 3 to 5 cubic meters of loose mixed waste per hour.
- Cutting section dimensions: 433 x 500 mm

#### Characteristics:

- slow and low noise running
- low vibration and minimal maintenance,
- compact design,
- robust welded construction,
- low power consumption,
- individually replaceable cutting discs

#### Dimensions:

- exterior dimensions: 1,436 x 650 x 400 mm
- weight: ca. 670 kg
- drive power: 7.5 kW
- voltage: 400 V / 50Hz
