

Heidelberg Stahlfolder TX 96-6-6

Lastnosti

Referenca izdelka:	IMP2134
Proizvajalec:	Heidelberg
Model:	Stahlfolder TX 96-6-6
Leto proizvodnje:	2014
Format / Delovna širina:	96,5 x 132
Barve / Št. agregatov:	6-6
Razpoložljivost opreme:	takoj
Lokacija opreme:	v proizvodnji
Cena:	po povpraševanju

Tehnična specifikacija

Heidelberg Stahlfolder TX 96 Signature Production Line

- Extremely short makeready times
- Maximum production output - Up to 50% higher productivity
- Excellent consistent folding quality
- High automation
- Reliable industrial operation ideal for high-volume commercial printing and book production

Technical specification:

- TX Performance Package
- Automated PFX 96 Pallet Feeder
- First Folding Station TX 96 with 6 buckle plates
- Second Folding Station TX 82 with 6 buckle plates
- Twinstacker TSH 100 Delivery

Technical Details:

- max. sheet size: 965 × 1320 mm
- min. sheet size: 420 × 300 mm
- max. speed: 30,000 sheets/hour
- max. pile height: 1,900 mm
- paper weight: 60–250 g/m²
