

INO POWDER MPA 500 - MELT POWDER APPLICATION MACHINE

Referenca izdelka:	2060
Proizvajalec:	Melt powder application machine INO
Model:	POWDER MPA 500
Leto proizvodnje:	2017
Format / Delovna širina:	max širina pole 500 mm
Razpoložljivost opreme:	takoj
Lokacija opreme:	skladišče
Cena:	po povpraševanju

Tehnična specifikacija

Melt powder application machine POWDER MPA 500

- Anti-static conveyor belt to maintain a smooth sheet transport with uniform powder coat application
- Frequency controlled motors with variable drive speed
- Dual vacuum extraction system, acting from top and bottom of the passing sheet, to provide highly-effective removal of excess powder
- Quick change-over between different powder types
- Preset parameters for application of different powder types
- Laser sensors, reading the sheet pass – for continuous operation or »start & stop« application mode
- Brush roller on exit

Technical data:

- max sheet width 500 mm
- conveyor belt width 540 mm
- max material thickness 2 mm
- powder range 80 - 200 µm with antistatic treatment
- conveyor belt height 940 ±25 mm
- conveyor belt speed 0 – 10 m/min
